Loving means to respect,
to be able to forgive.
It is the highest form of friendship,
built on understanding,
acceptance, and support.
We cannot change someone
to our expectations;
love means appreciating
a person for who they are.
Two people who love each other
share a vision and walk hand in hand
to realize their vision.
They believe in each other.

I love you with all my heart.

I am devoted to cherishing you for all my life.

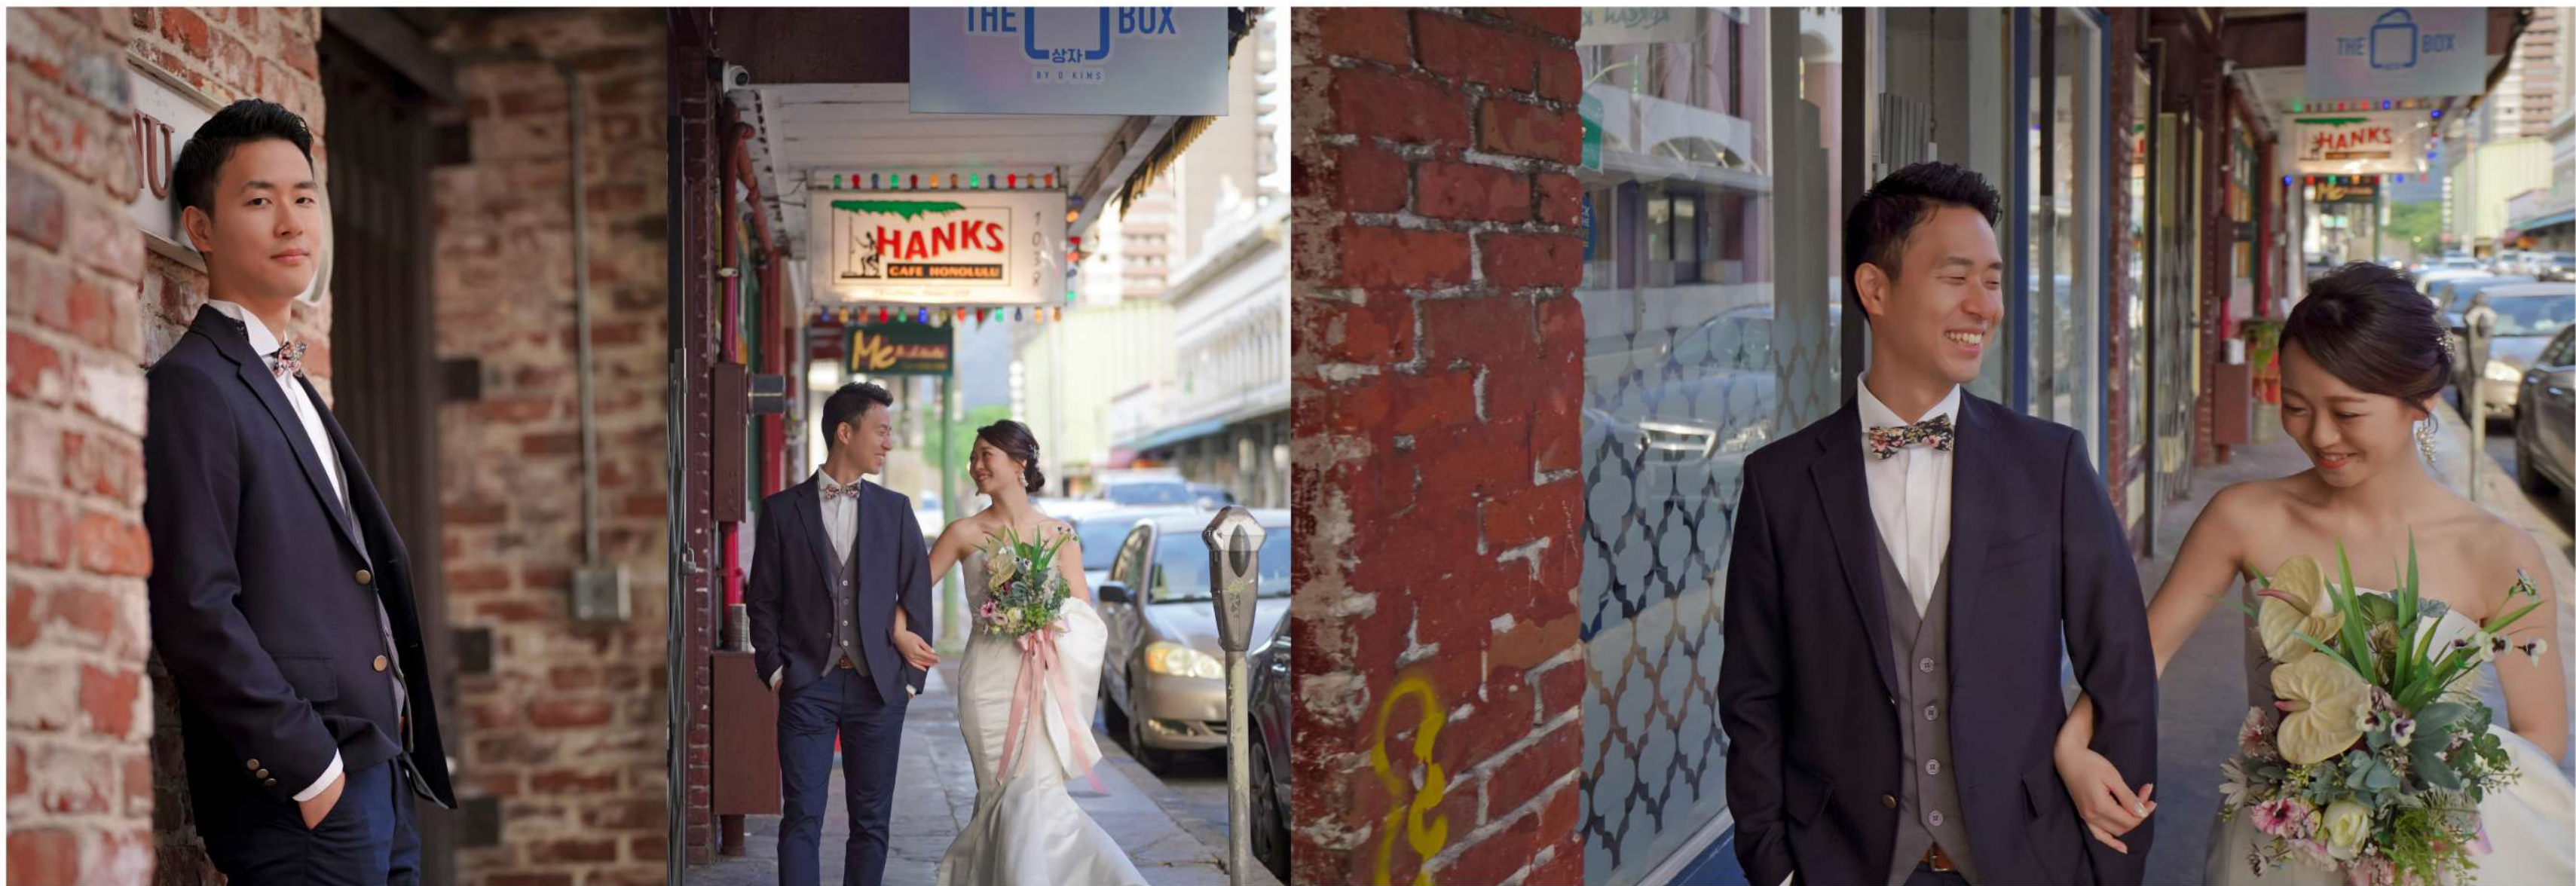

I will stand by you though any difficulty.

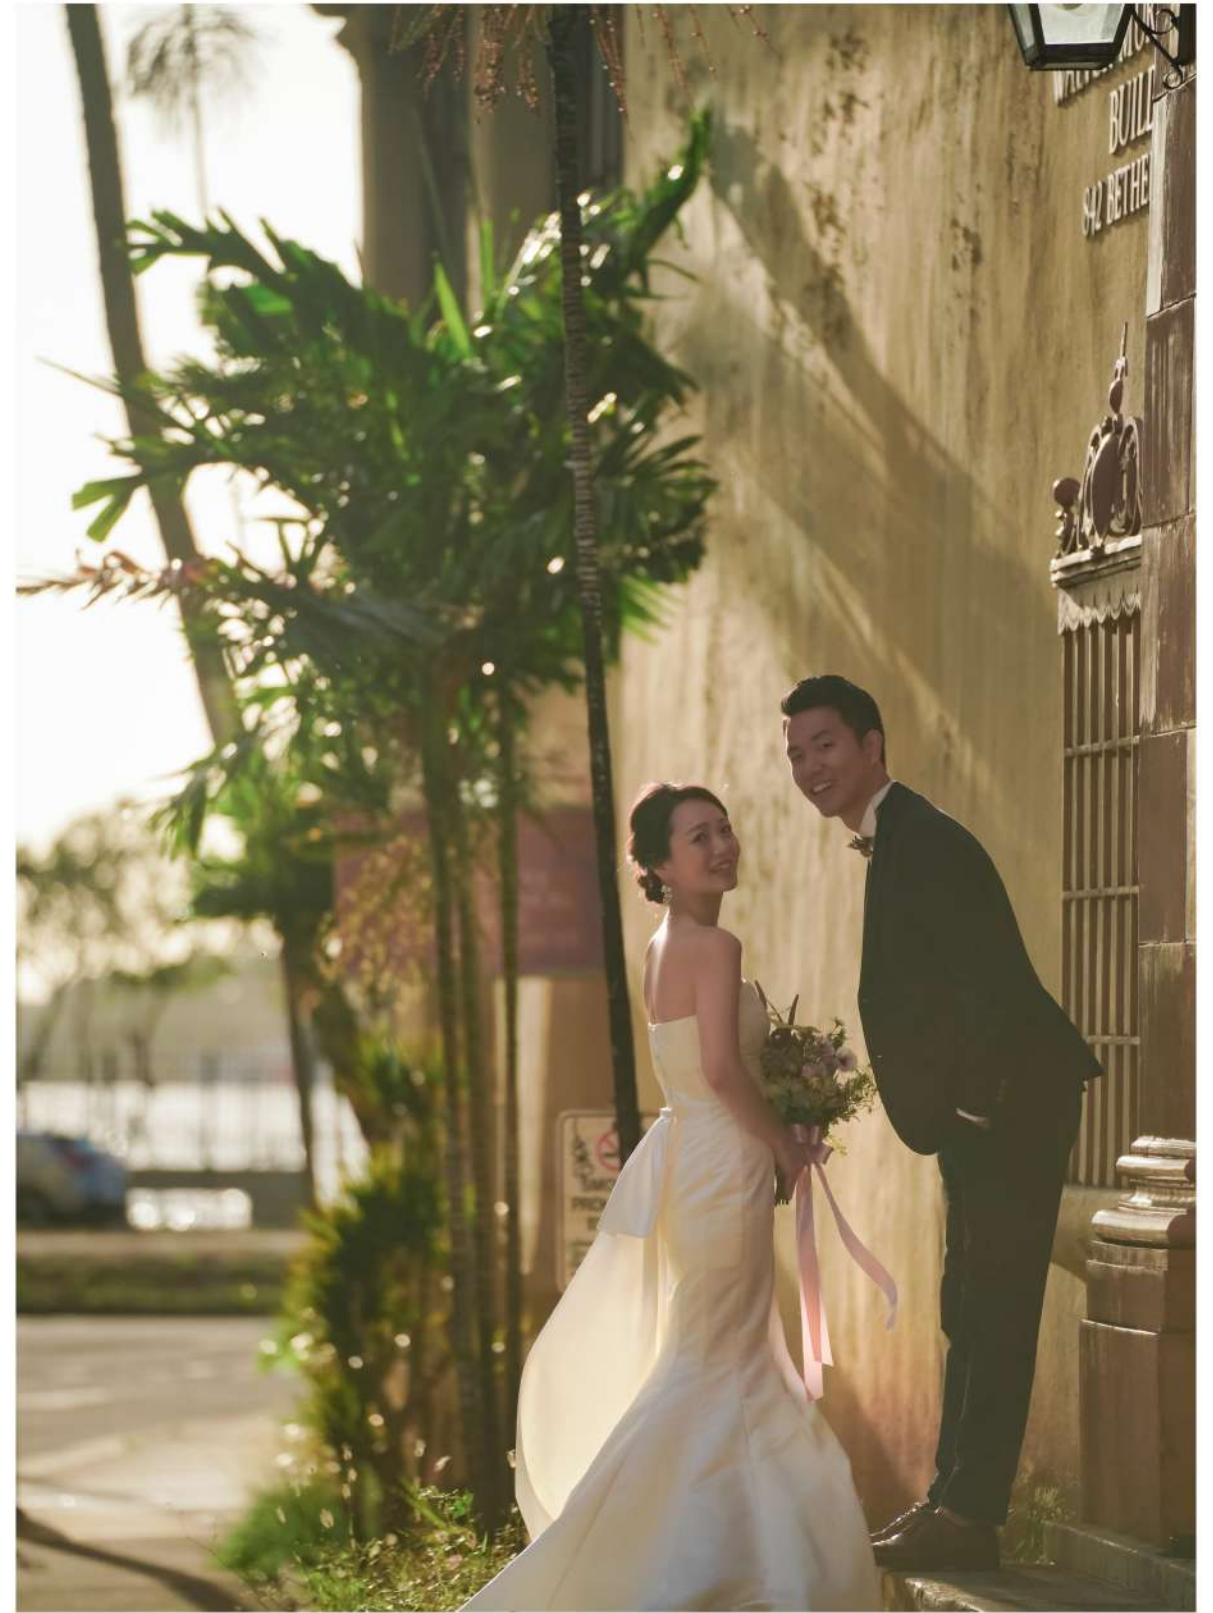

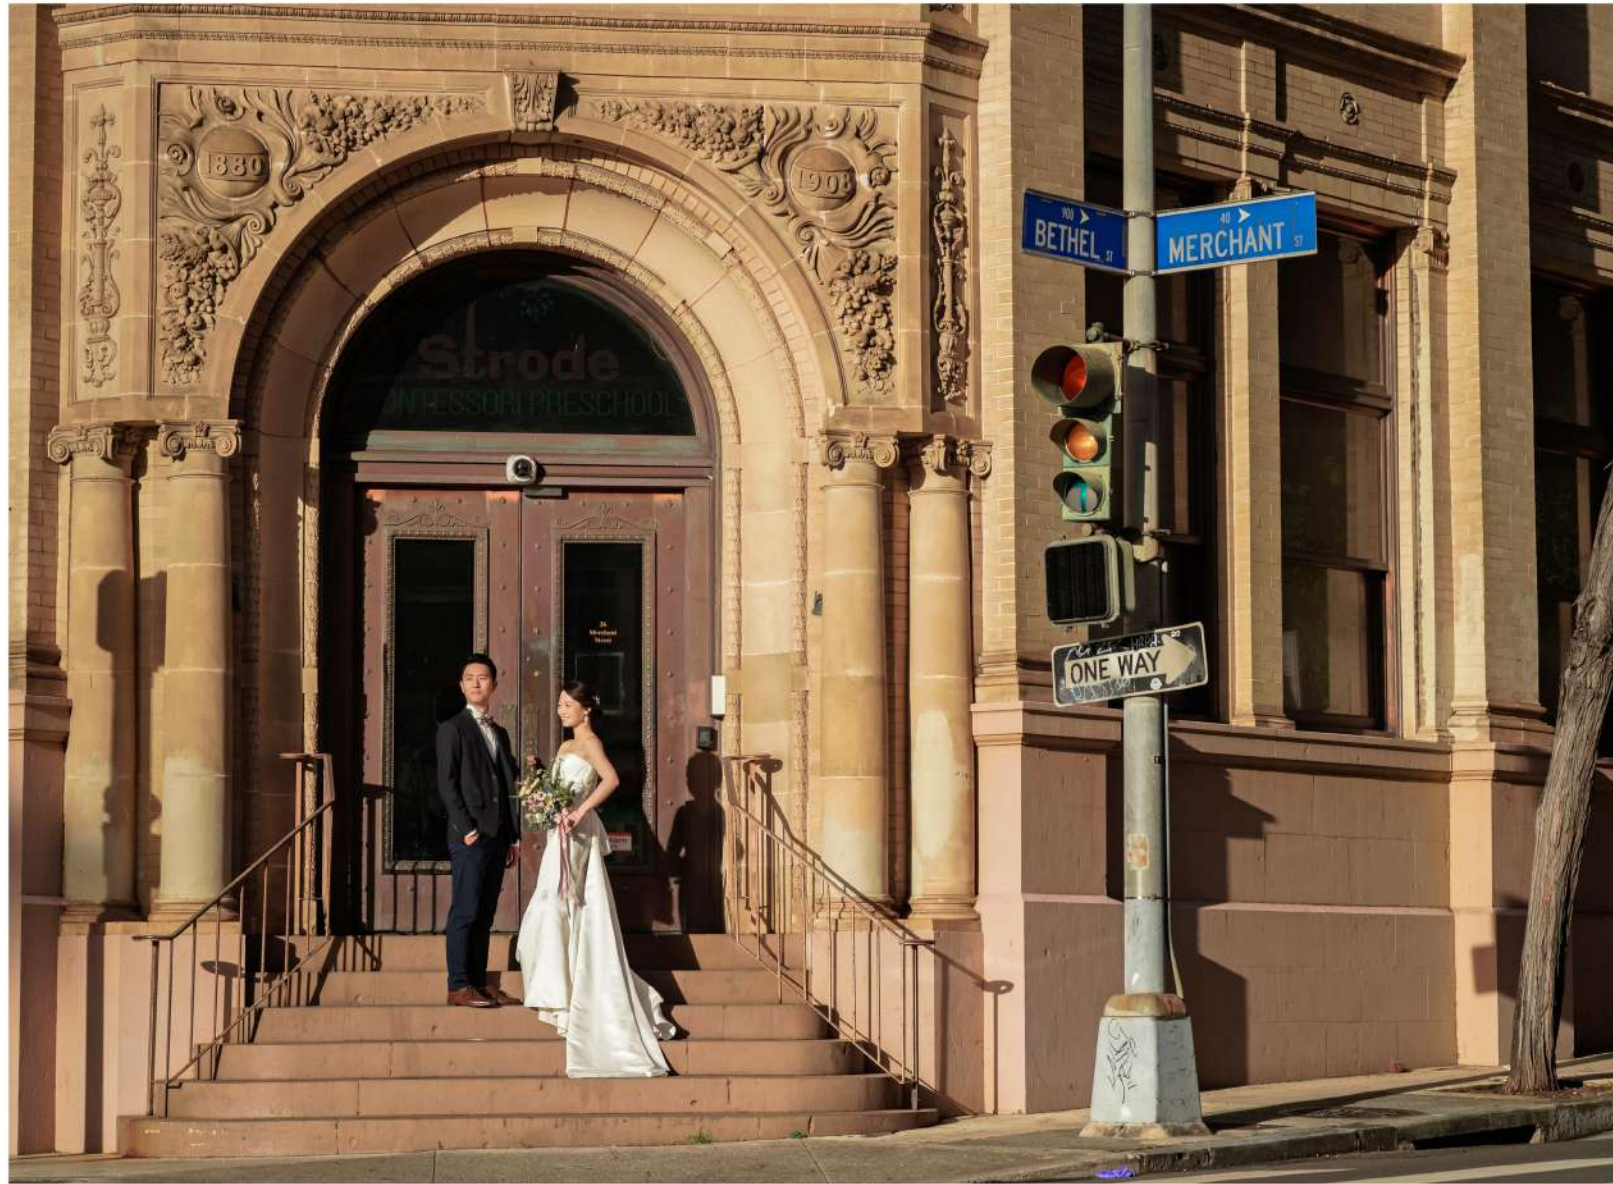

We can together overcome any hardship.

Our being together and our love give us strength and happiness.

You are my closest friend, my life partner, and the love of my life.

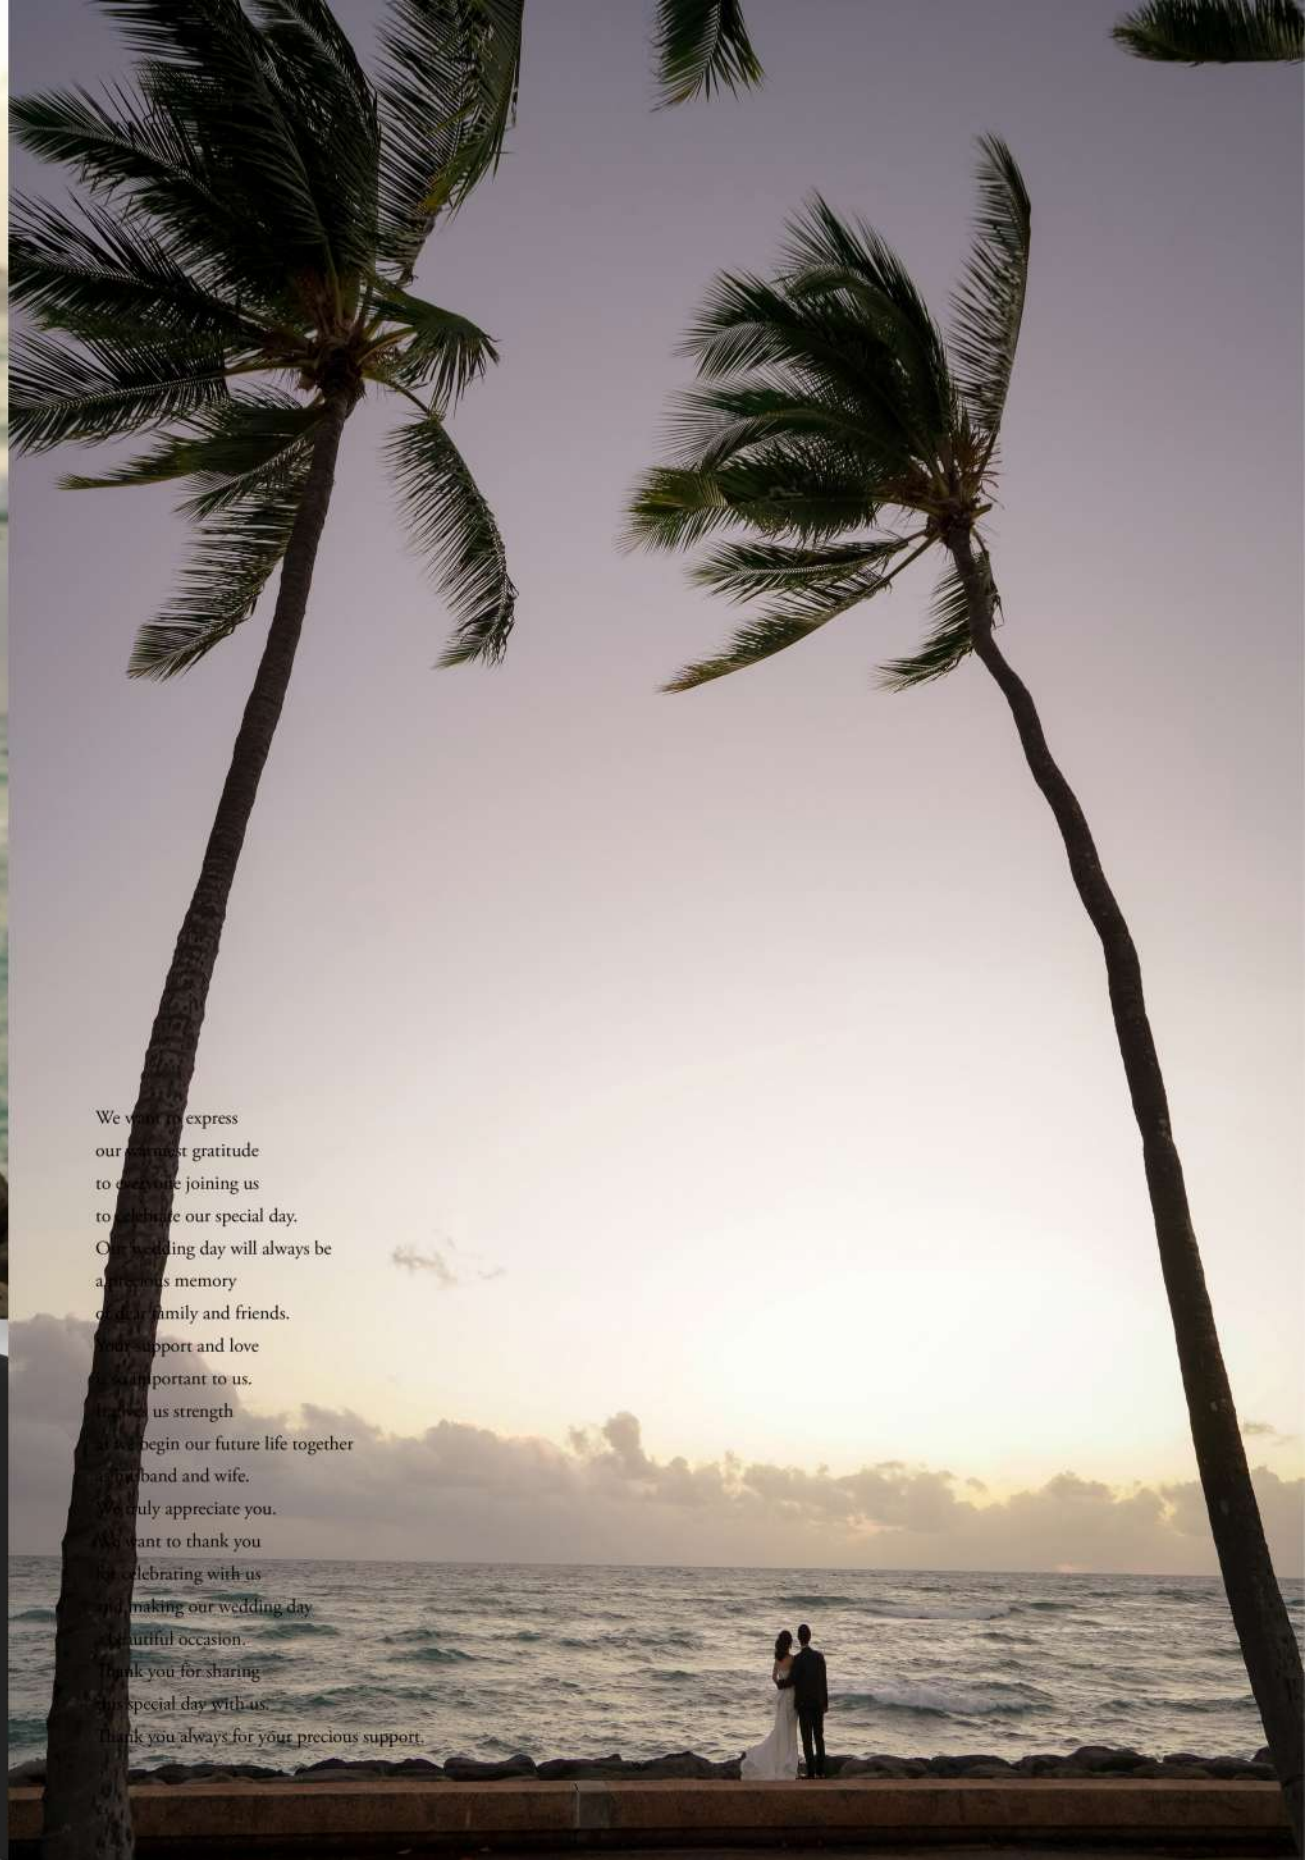

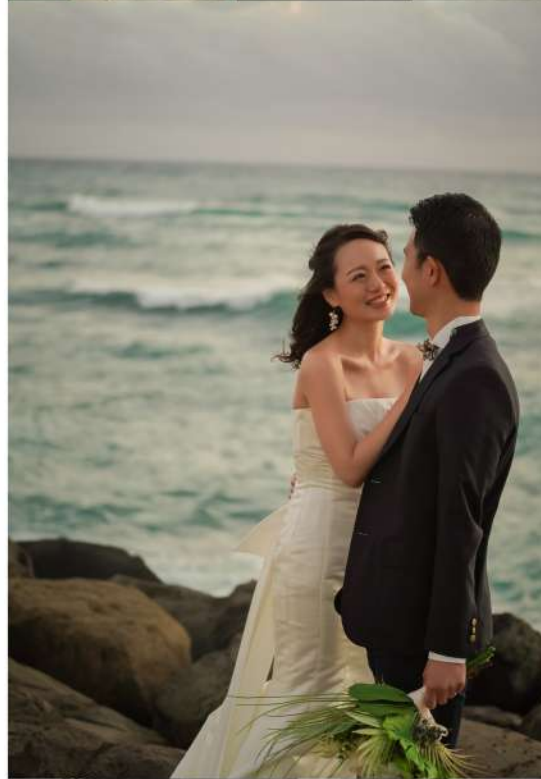

I love the way you stand by me and believe in me.
I love the way you smile and make me laugh.
I love that you let me see things in a new light.
I love the forgiveness you so generously give to me,
time and time again.
I love your acceptance of my transgressions and faults.
You are my ideal and my strength.
I am forever grateful for the good fortune
to be with you and to know that,
with all my faults, you continue to love me.
You are the light of my life.
You have made me the happiest person on earth.
I respect, love, and cherish you dearly,
now and forever.
My greatest desire is to give you happiness.

We want to express
our earnest gratitude
to everyone joining us
to celebrate our special day.
Our wedding day will always be
a precious memory
of our family and friends.
Your support and love
is so important to us.
It gives us strength
as we begin our future life together
as husband and wife.
We truly appreciate you.
We want to thank you
for celebrating with us
and making our wedding day
a beautiful occasion.
Thank you for sharing
this special day with us.
Thank you always for your precious support.
